

Our old and failing Water Mains get weaker every year, but we have been **kicking the can down the road** hoping others will pay to replace them.

Hope is not a plan.

[mansfieldwatermaininitiative.com](http://mansfieldwatermaininitiative.com)

Mansfield has 385 hydrants that don't work.

More than 60 miles of water mains in the city cannot deliver the volume needed to fight fires.

The Water Main Initiative is organized by citizens—our neighbors—to take action.

**MARCH 19**  
**VOTE FOR**  
**OUR SAFETY**

Paid for by the Mansfield Water Main Initiative,  
Eric Miller, Treasurer 693 Coleman Rd Mansfield OH 44903
